

# KNIGHTLY GIVING

*Transforming Learners into Leaders*

## St. Francis College Preparatory High School

*Seeking Time, Talent and Treasure*

St. Francis is a learning community, with its primary focus on building the dignity of the young person; connecting their minds, hearts and souls to witness the truth beyond the facts so that their lives will be transformed, allowing them to go out and transform the world.

St. Francis realizes that all areas of the curriculum – theology, literature, history, math, science, music, language, art need to be combined with faith and reason which will contribute to an adult who will stir others to encounter wisdom and develop virtue.

We need your help and support to continue our quest. Please consider giving today of your time, your talent and your treasure. Your support ensures the work we have begun will continue.
